### Prayer for the month

O Lord our God, grant that we may have fellowship with you every day. May our hearts be ready to fulfil your commandments and to do what you want in all things. Hear our prayer. Hear and answer when we pray for the nations, for the whole world and let your Holy will be done. Remember all who are in distress and lead them on the right way. May we go with joyful hearts wherever you lead us. Your name will be our help, your glory will come and the world will be full of your love, your power and your splendour. Amen.
